Dear guest from Ukraine!

We would like to invite you to spend relaxing and exciting days together with us at the scout camp in Ebenau near Salzburg from August 1 to 11, 2022. You will certainly make new friends and learn about life as a boy scout or girl guide in the nature, sleep in a tent together with scouts, go hiking and sit around the campfire in the evening. We would like to invite you to spend some happy and adventurous days with us. We are looking forward to seeing you.

11 days of scouting

The scouts invite children and teenagers to the scout camp PUR in Ebenau near Salzburg. From **August 1 to 11, 2022** you will go to the camp together with one or two friends. You will join a participating group with kids and teens of your age. You will sleep in a sleeping bag in a tent. There will be a different program every day and you will take part together with your hosts. There are three age groups at the camp: Guides and Späher from 10 to 13 years, Caravelles and Explorers from 13 to 16 years, and Rangers and Rovers from 16 to 19 years. Of course, you'll be in a group with people your own age.

The scouts all speak English, but there will be only few who also speak your native language. Therefore, there will be a center for you and the other guests from Ukraine at the camp, where both Ukrainian and Russian will be spoken.

What do you need?

You don't need anything special, just the **courage for an adventure**. The scouts will take care of your equipment for sleeping and for your participation in the program.

What about the program?

The theme of the camp is sustainability. For two days, you will go **hiking**, on two other days you may choose from different **workshops**, for example bush craft & survival, botany, cooking on fire, photography, raft building, sword fighting, climbing, blacksmithing, theater play and much more. You will spend some time setting up your group's camp yourself – this will involve pitching tents and building a cooking area. There are many other things to do at the campsite, such as a 4D-scout cinema, a café, and **big parties** for all participants with **concerts and shows**. On the **visitors day**, Sunday August 7, your friends and family can visit you.

What are you going to eat?

You will cook your own meals together every day. You will receive the food and recipes. On the "open pots" evening you can present delicacies from your home country and enjoy specialties from the pots of the other groups.

Who do you spend the time with?

You will stay **together with a friend in an Austrian scout group**. The participation in the camp is intended without the company of an adult. Boy scouts and girl guides participate on their own.

Your scout group wants to get to know you before you go to the camp. We will try to get you in touch with your hosts before the camp.

How much does it cost?

The participation in the camp is **free of charge** for children and teenagers from Ukraine. The Salzburg Scouts and Guides invite you and cover all costs.

How can you register?

If you want to participate, fill out the **registration form** to let us know your name and details. Contact the management of your quarter and hand in your registration. They will take care of everything else. Once you have registered, you will receive further information.
